

Qiqi Xu

Digital Product Designer | KPCB Design Fellow 18'

EXPERIENCE

NEXTDOOR, SAN FRANCISCO, US

Design Intern / KPCB Design Fellow 2018 May - 2018 August

- Sole product designer on the Real Estate team: designed and delivered the home comparison tools and map filters for users; refined agent-facing experience
- Worked on a range of communication design projects, including illustrations and product marketing materials

HITOMEDIA INC., TOKYO, JAPAN

Business Development and Design Intern 2017 May - 2017 August

- Sole designer on a team of 4. We created a business plan and the prototype of a new FMCG product for an innovation lab in Tokyo
- Organized and conducted multiple user testing sessions and synthesized insights
- Created landing page mockups and flows for product launch

AEROLAB, BUENOS AIRES, ARGENTINA

UX/UI Design Intern 2017 February - 2017 May

- Aerolab is a leading UX agency in Argentina with clients all over the world
- Collaborated with designers and creative directors to deliver both mobile and web solutions for clients in the EdTech and FinTech spaces
- Actively communicated with the PMs, developers and client-side contacts on projects from ideation to final implementation

SCOOP TECHNOLOGIES INC., SAN FRANCISCO, US

UX Design Intern 2016 May - 2016 August

- Scoop is a series-B funded company that provides smart carpools
- Led a UX project to improve users' experience with trip cancellations: conducted user research, created flows and prototypes, carried out user testings
- Revamped marketing email templates and print assets for the business team
- Reported to Head of User Experience and VP of Product

PROJECTS

SEOUL, KOREA

Accessibility Browser Extension 2017 October - 2017 December

- Worked with Naver's Innovation Studio to design and prototype a web extension to improve low-vision users experience

BERLIN, GERMANY

Designer, Kiron Higher Education 2016 October - 2017 March

- (Pro bono) Helped conceptualize the first issue of a refugee student magazine
- Designed illustrations for a MOOC on effective online learning strategies
